Carver County CDA Fair Housing Policy

I. PURPOSE/VISION
Title VIII of the Civil Rights Act of 1968, as amended by the Fair Housing Amendment Act of 1988, establishes federal policy for providing fair housing throughout the United States. The intent of Title VIII is to assure equal housing opportunities for all citizens. Local governments that receive community development funds under Title I of the Housing and Community Development Act of 1974 are obligated to certify that they will affirmatively further fair housing. The seven classes protected under the federal Fair Housing Act include: color, disability, familial status, national origin, race, religion, and sex. The Minnesota Human Rights Act has the same fair housing protections as Title VIII with the addition of creed, age, marital status, public assistance status, and sexual orientation.

The Carver County Community Development Agency (CDA) resolves to promote fair housing and to comply with these obligations or requirements, the CDA has developed this Fair Housing policy.

II. FAIR HOUSING POLICY STATEMENT
It is the policy of the Carver County CDA to ensure that fair and equal housing opportunities are available to all persons in all housing opportunities and development activities funded by the CDA regardless of race, color, religion, gender, sexual orientation, marital status, status of regard to public assistance, familial status, national origin, or disability. This shall be done through external policies that provide meaningful access to all constituents and fair housing informational and referral services; internal practices and procedures that do not discriminate and that affirmatively further fair housing; and through the landlord role of affordable rental housing owned and managed by the CDA.

III. EXTERNAL PRACTICES

Examples of fair housing activities funded in the past by FHIC members include educating individuals on fair housing rights and supporting organizations to create fair housing videos.

IV. INTERNAL PRACTICES

Carver County CDA commits to the following steps to promote awareness and sensitivity to fair housing issues in all of its government functions.

A. Staff Training. The Carver County CDA will train staff and board members on an annual basis on fair housing considerations, including working with people with disabilities and limited English proficiency constituents.

B. Community Engagement. The Carver County CDA commits to ongoing community engagement. Specifically, the Carver County CDA commits to conversations with communities regarding potential affordable housing projects and hosts discussion groups throughout the year.

V. CDA RENTAL HOUSING PROGRAMS

The Carver County CDA is a developer, owner, and operator of affordable rental housing units throughout Carver County. As a landlord, the CDA ensures the Agency's rental housing programs shall be in compliance with all non-discrimination, equal opportunity, and fair housing laws and practices.

The CDA adheres to fair housing requirements regarding rental housing issues, including Title VIII and
the Human Rights Act that makes it unlawful to: (i) discriminate in the selection/acceptance of applicants in the rental of housing units; (ii) discriminate in terms, conditions or privileges of the rental of a dwelling unit; (iii) engage in any conduct relating to the provision of housing that otherwise make unavailable or denies the rental of a dwelling unit; (iv) make or publish (or have anyone else make or publish) advertisements that indicate preferences or limitations based on any of the protected classes.; (v) tell a person that because of race, etc., a dwelling unit is not available when it is; and (vi) deny access to, or membership or participation in, associations or other service organizations or facilities relating to the business of renting a dwelling or discriminate in the terms or conditions of membership or participation.

**Discrimination Complaints**

If an applicant, tenant family, or client believes that any family member has been discriminated against by the CDA, the family should advise the CDA. The U.S. Department of Housing and Urban Development (HUD) requires the CDA to make every reasonable attempt to determine whether the applicant or tenant family's assertions have merit and take any warranted corrective action. In all cases, the CDA may advise the family to file a fair housing complaint if the family feels they have been discriminated against under the Fair Housing Act.

Applicants, resident families, or clients who believe that they have been subject to unlawful discrimination may notify the CDA either orally or in writing (preferred). The CDA will attempt to remedy discrimination complaints made against the CDA and will conduct an investigation into all allegations of discrimination. Complainant’s may also choose to contact the local HUD office.
