

Carver County Small Business Emergency Assistance Fund

August 2020

Purpose

Small businesses are critical to Carver County's economy. Approximately 86 percent of all businesses within the county employ less than 20 people, and many of these businesses have been directly impacted by the COVID-19 pandemic. Because of this, Carver County cities and the Carver County Community Development Agency have come together to create the Small Business Emergency Assistance Fund.

The purpose of the Small Business Emergency Assistance Fund is to provide emergency financial assistance, through a \$10,000 beneficiary payment, to small businesses located in Carver County who have been affected by the COVID-19 pandemic. The goal of program is to assist and stabilize businesses through this economic crisis.

Funding

Beneficiary payments worth up to \$10,000 will be awarded to businesses who have seen a direct financial impact due to the COVID-19 pandemic via a randomization process.

Funds awarded may not be more than 50% of total revenue for the business in the previous year.
