5. Narrative

5a. Describe how this project fits into the city's goals and the Redevelopment Plan, its public purpose, any extraordinary costs, and the community's need for the project. Describe other projects completed/underway as part of the Redevelopment Plan or in the area and how this project may catalyze additional (re)development.

5b. Provide a brief history of the site including previous uses, slum or blight, activities, contamination and other attempts at redevelopment.

5c. How does your project create a more livable community? Include information about the mix of uses, proximity to transit, reduced/shared parking, resiliency, walkable neighborhoods, green space, increased density, benefits to businesses/organizations, and community building elements.

5d. Describe any contamination on the project site or in the redevelopment plan area. Was a Response Action Plan developed? Will the project be cleaning up any contaminated soils, hazardous waste or other elements? If so, describe the type of clean up.

5e. Describe how the project is maximizing the potential of the site.

5f. Will any existing residents, tenants or businesses be temporarily or permanently relocated as a part of this project? If so, please describe how relocation will occur.

5g. Describe the biggest challenges or extraordinary costs facing your project and explain why the project is not feasible without CGPI funds. Please include any challenges not previously described such as status of site control, financing, rents and returns, tenants/leasing and other items pertinent to a successful project.
